Indoor/Outdoor Suction Cup Window Thermometer Instructions

314BC

This Suction Cup Window Thermometer measures and displays indoor or outdoor temperature with Max/Min memory. Its convenient suction cup makes it easy to stick to the interior or exterior of any window in your home.

Getting Started

1. To turn the unit on, remove the top of the thermometer by pushing up on both sides (see Diagram 1).
2. Once the top is removed, pull the plastic tab that is located behind the battery. The thermometer will turn on.
3. Replace the top of the thermometer by pushing down until a click is heard (see Diagram 2).

Time

1. Press the **SET** button to select 12/24 hour format.
2. To set the time, press and hold the **SET** button for 2 seconds.
3. The hour digits will flash, press the **UP** button to adjust the hour. Press the **SET** button to confirm.
4. The minute digits will flash, press the **UP** button to adjust the minutes. Press the **SET** button to confirm.

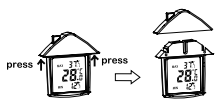

Diagram 1

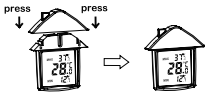

Diagram 2

°C/°F Switchable

The default measurement for temperature is °C, press the **UP** button to toggle between Celsius and Fahrenheit.

Max/Min Memory

The Max/Min temperature memory clears everyday at 12:00PM.

Indoor and Outdoor Placement

Indoor Placement

Outdoor Placement

When placing the thermometer indoors, ensure the suction cup is on the back of the thermometer. To place outdoors, remove top of the thermometer (see Diagram 1) and flip the top so the suction cup is on the front of the thermometer.

One Year Limited Warranty

The BIOS Weather™ Indoor/Outdoor Suction Cup Window Thermometer has a limited one year warranty to be free of manufacturing defects in materials and workmanship under normal applications, for the original owner. If this product becomes inoperable due to defect, return the product with all components and proof of purchase to the address listed below. This warranty does not cover any shipping/transport costs. This warranty does not apply to normal wear and tear or if the product is subject to misuse, neglect, rough handling or damage.
