BIOS™ Professional

FS703
AUTOMATIC SHOE COVER DISPENSER

Maintain strict hygiene standards with our Automatic Shoe Cover Dispenser, engineered for demanding environments like commercial kitchens, retirement living spaces and medical offices. This touch-free system automatically applies disposable shoe covers in seconds reducing contamination risks and improving workflow efficiency.

Built with a high-capacity cover chamber and a durable, compact design, it supports continuous use in high-traffic areas without constant refilling. Whether you're ensuring food safety compliance or protecting clinical spaces, this dispenser delivers a cleaner, safer environment with every step.

Anti-slip shoe covers sold separately **(FS704).**

EASY TO INSTALL

1

Unfold a bundle of shoe covers, paying attention to the length of the shoe cover.

2

Squeeze the entire stack of buttons, align with the T-shaped slot at the corner of the shoe cover machine, and press the button into the slot.

3

The shoe cover must be installed diagonally, and install the remaining clips in the same way as in step 2.

4

After the four corners are installed, remove the twist tie that is tied to the shoe cover buckle.

WARRANTY

The Automatic Shoe Dispenser has a 1 year warranty to be free of manufacturing defects in materials and workmanship under normal applications for the original owner. If this product becomes inoperable due to defect and requires correction, return the product with all component pieces and proof of purchase to the address listed below. This warranty does not cover any shipping/transport costs. This warranty does not apply if the product is subject to misuse, neglect, rough handling or damage.
